*"Product A (EcoSponge) was really pleasant to work with. All the other materials had some dust content. One of them especially was a huge pain!"*

—quote from Emergy lab technician

## Efficient Use Quarts Absorbed per Bag

- **No Mess, Zero Dust:** EcoSponge is the **ONLY** brand tested with a "Dust-factor" of Zero!
- **Highest Cost Efficiency:** EcoSponge has a much higher cost efficiency than **ALL** other leading brands tested—based on the amount of material and number of uses per package
- **Fast:** EcoSponge is as fast as any other solid absorbent tested—based on the amount of material absorbed in a 10 minute period
