

2008 WOOD PELLET ORDER FORM

Confluence Energy is grateful for the opportunity to earn your business in the 2008-2009 heating season. We are near completion of our state of the art wood pellet manufacturing facility in Kremmling Colorado. This plant will be the largest wood pellet facility in production in the Western US. We will produce a premium and super premium wood pellet, and are promising:

- High Quality Product
- Reliable Supplies
- Reasonable Terms
- Guaranteed Pricing
- Personal Service

We ask that you fill out this order form and return it via fax or email, so we can allocate your product early in the year. The pricing listed below is only good until April 1st of 2008. We expect to sell out our capacity and want to ensure your needs are met for the season. We look forward to bringing you a better product at a better price, and are confident in our ability to create a better margin for you and bring the price point down for your customers. We look forward to building a great future together.

Sincerely,

Mark Mathis, President

TERMS

Qualified retailers will be given 30-days-net terms. Terms for all other orders are cash upon shipment from our plant. The prices listed above are FOB shipping point.

CE would like to ship product to retailers starting in August, 2008. We will not require you take your entire order of product early. We understand some retailers do not have room to store large amounts of product at their site.

We may ask for small deposits from retailers to ensure their commitment on ordered product. The deposits will range from \$10 to \$15 per ton depending on the order and customer credit.
